

FRONTLINE LABOUR MANAGEMENT

For fast and easy-to-use work activity management

Stand alone or interfacing with FrontLine Maintenance, the Labour Management module provides the ability to manage the work activity of your staff and easily reconcile working hours

- Fast and easy to use
- Simple timesheet data entry
- On screen reconciliation with work records
- Easily recognise missing timesheets
- Ability to update work order details from this module
- Daily or weekly reconciliation
- Differentiates between standard working time, overtime, travelling time and waiting time
- Adjustable calendar for holiday planning
- Filter capability on team, person and standard hours
- Bi-directional information with FrontLine Maintenance
